Dear Parents/Guardians,

We are excited to announce that our 6th grade students will have an opportunity to attend the STARS AND STEMM exhibit at NASA's Johnson Space Center in Houston, Texas!
This is an excellent opportunity for your child to gain first-hand knowledge about NASA and space travel.

Dates for each trip are as follows:

TEAM FROGS and TEAM BEARS:
(Science Teachers Mrs. Montoya and Mrs. McGraw)

March 7th-8th, 2019

TEAM AGGIES and TEAM RED RAIDERS:
(Science Teachers Mrs. Wall and Mr. Weatherby)

March 19th-20th, 2019

This will be an overnight trip departing by charter bus around 9:00 am the day of trip. We should arrive back to the school the following day around 6:00 pm. We will be staying at the Holiday Inn Houston/Webster near the Space Center. Each room will have three students and one chaperone. We are anticipating the need of approximately 33 adults per trip. Fathers, we need you too! Please think about joining your child on this adventure!

The cost will be **\$180 per student** and **\$150 per chaperone**. The cost includes dinner at the Space Center Tuesday Night, breakfast at the hotel Wednesday morning, and lunch at Golden Corral on Wednesday afternoon. Please send a sack lunch with your child to eat on the way down to Houston. To ease the burden financially, we are offering the following payment schedule:

1st Commitment Deposit payment of \$90 due October 5th, 2018

2nd payment of \$90 due December 19th, 2018

OR

Full payment is due December 19th

Chaperone Payment of \$150 is due December 19th, 2018

NASA requires payment in full ahead of trip so it is imperative we get the money by the deadline.

Online payments go to ticketracker.com

We are thrilled to be able to have this opportunity for our students on such an awesome school trip!
