Principal's Purposeful Points

November Issue

Hello Mustang Parents,

As we enter into a new month and a time of thanksgiving, I am reminded of this quote by William D. Tammeus, 'You don't really understand human nature unless you know why a child on a merry-go-round will wave at his parents every time around – and why his parents will always wave back.' I hope you know how inspiring you are to your child and the influence you have on their life. We appreciate your partnership in their educational process. Also, a HUGE thanks to our PTA for the treats left in the teachers' lounge and always finding ways to put a smile on their faces.

As your student's leader, I want to say thank you for sending us your best!

Mrs. Haygood,
Interim Principal
